Privacy Policy

It is DevOps Images's policy to respect your privacy regarding any information we may collect while operating our website. This Privacy Policy applies to our website (hereinafter, "us", "we", or " . We respect your privacy and are committed to protecting personally identifiable information you may provide us through the Website. We have adopted this privacy policy ("Privacy Policy") to explain what information may be collected on our Website, how we use this information, and under what circumstances we may disclose the information to third parties. This Privacy Policy applies only to information we collect through the Website and does not apply to our collection of information from other sources.

This Privacy Policy, together with the Terms of service posted on our Website, set forth the general rules and policies governing your use of our Website. Depending on your activities when visiting our Website, you may be required to agree to additional terms of service.

4. **Privacy Policy Changes**

1. Personally-Identifying Information

Certain visitors to DevOps Images's websites choose to interact with DevOps Images in ways that require DevOps Images to gather personally-identifying information. The amount and type of information that DevOps Images gathers depends on the nature of the interaction. For example, we ask visitors who leave a comment at our website to provide a username and email address.

2. Security

The security of your Personal Information is important to us, but remember that no method of transmission over the Internet, or method of electronic storage is 100% secure. While we strive to use commercially acceptable means to protect your Personal Information, we cannot guarantee its absolute security.

3. Aggregated Statistics

DevOps Images may collect statistics about the behavior of visitors to its website. DevOps Images may display this information publicly or provide it to others. However, DevOps Images does not disclose your personally-identifying information.

4. Privacy Policy Changes

Although most changes are likely to be minor, DevOps Images may change its Privacy Policy from time to time, and in DevOps Images's sole discretion. DevOps Images encourages visitors to frequently check this page for any changes to its Privacy Policy. Your continued use of this site after any change in this Privacy Policy will constitute your acceptance of such change.
